Students are advised that their personal details may be disclosed to relevant government authorities if QAT is compelled to do so. This is communicated to students via the enrolment form, and through the Student Handbook.

#### 4.7 Maintaining accurate records

- When students enroll, records of all required details, such as, but not limited to, contact details, visa details, tax file numbers and payment details, are captured on the appropriate form, then checked and kept in both hard copies on the student's file and on TEAMS by the QAT Enrolments Coordinator. An exception is made for the Request for VET FEE-HELP assistance form; only a hard copy will be kept on file. Forms are not processed unless they are complete and accurate.
- Contact details are captured for a second time during the student's orientation on the first day of their course on the appropriate Acknowledgement Form, and recorded as above.
- Academic progress and attendance details are captured and recorded as per the relevant QAT Academic Progress or Attendance Policy for the course concerned (see References below).

- Every month, QAT administration staff, acting under the direction of the Executive Director and Compliance Team, will identify and contact students (under the ESO's Act) who have been enrolled continuously at QAT for 6 months in order to update the students' email, mobile phone and address details.
- Students who are enrolling in a second course at QAT will always be directed to attend the relevant orientation and to fill out a new student acknowledgement form. They will also need to fully complete the new written agreement and enrolment form, which includes a question regarding their current contact details.

#### 4.8 Timeframes for the retention of records
